### Statutory Liability Extension

The Statutory Liability and Errors & Omission is an Extension to the Policy and is 'Claims Made' insurance. This means that the extension covers you for any claims made against you and notified to the insurer during the period of insurance.

This extension does not provide cover in relation to:

- Acts, errors or omissions that occurred prior to the retroactive date (if one is specified) in the policy;
- Any claim made, threatened or intimated against you prior to the commencement of the period of insurance;
- Any claim or fact that might give rise to a claim, reported or which can be reported to an insurer under any insurance policy entered into before the commencement of the period of insurance;

- Any claim or fact that might give rise to a claim, noted in this proposal or any previous proposal;
- Any claim arising out of any fact you are aware of before the commencement of the period of insurance;
- Any claim made against you after the expiry of the period of insurance.

However, the effect of Section 40(3) of the Insurance Contracts Act 1984 (Cth) is that where you become aware, and notify us in writing as soon as is reasonably practicable after first becoming aware but within the period of insurance, of any facts which might give rise to a claim against you, any claim which does arise out of such facts shall be deemed to have been made during the period of insurance, notwithstanding that the claim was made against you after the expiry of the period of insurance. There are over 5000 legislative provisions in Australia that cater for civil penalties, and fines for Occupational Health and Safety breaches can be as high as \$550,000. Statutory Liability cover is a cost effective extension of this policy that helps to protect you against these fines and penalties. It also provides for expert legal assistance in defending civil fine actions.
